

SURREALISM

Everything we can touch, feel, see, hear, smell, in the **reality** of our every day life is **real**. What is the opposite of something that is real?

- Imaginative
- Dreamlike
- Fake
- Unreal
- **surreal**

Surrealism is an art movement which plays with the concept of reality and dreams, the unconscious and conscious, through a ton of creativity.

- Involves fantasy & dreams
- Is illogical
- Stresses the subconscious
- **Automatism** – to allow your subconscious mind to take over in your art.
- Demented sense of humor

-
- characterized by using the subconscious as a source of creativity to **liberate** visual subjects and ideas.
- Surrealist paintings often depict **unexpected** or **irrational** objects in an atmosphere of fantasy, creating a **dreamlike** scenario.

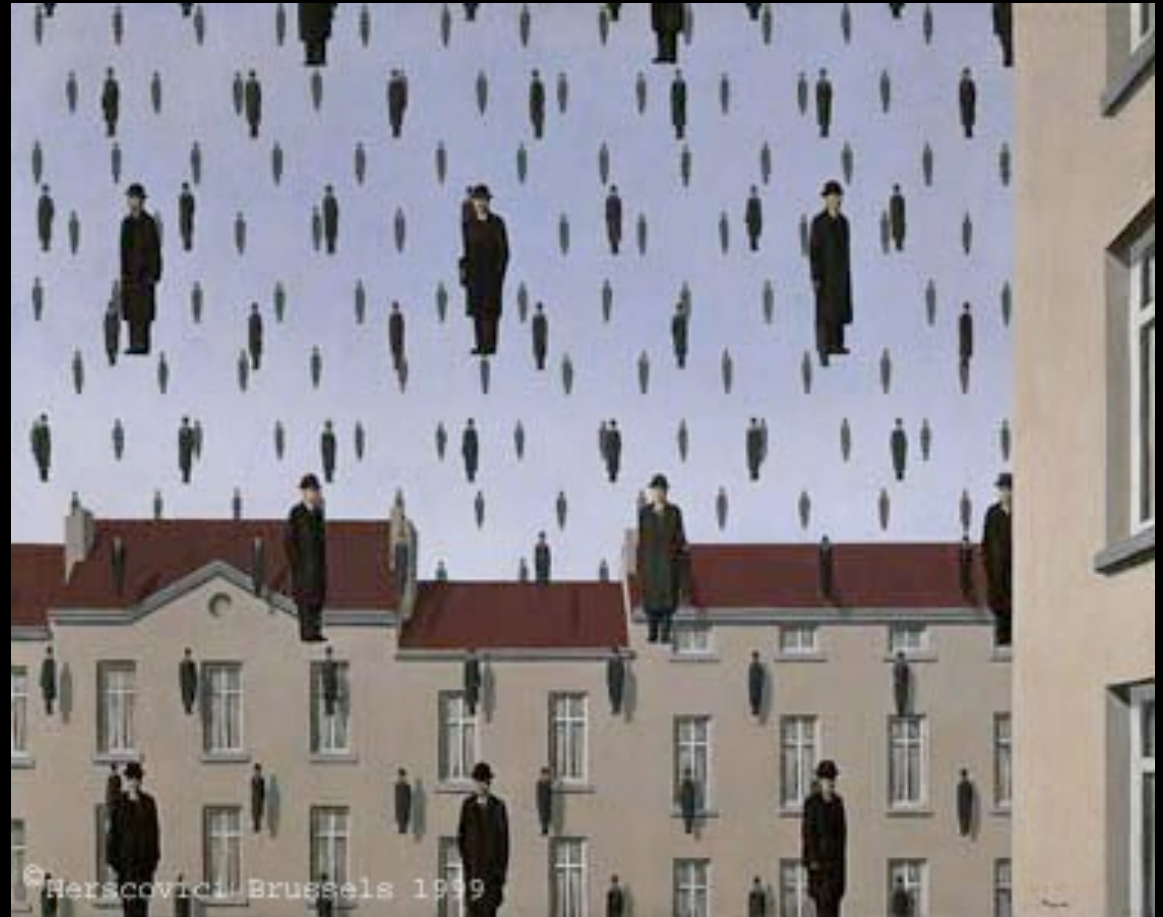

– **SURREALISM** was based on the pioneering psychologist **Sigmund Freud's** work with dream analysis.
